FINAL RACE INSTRUCTIONS

- Your timing chip is located in your race packet. It is affixed to a neoprene band and must be worn on your ankle, NOT ON YOUR WRIST! Only runners wearing a timing chip will be scored.
- You are responsible for the safe keeping of your timing chip and to make sure it is returned at the finish. There is a $30 replacement fee for non-returned chips.
- Two water stations are located along the 5K course.
- Awards will be presented to the top 3 overall male and female finishers and the top 3 finishers in each division at the conclusion of the race.
- Have a safe & fun race and remember to thank the Volunteers!
